French Society of Extracellular Vesicles

Overall Objective of the Network/Society

Gather all french community working or interested in all types of EVs

Create a unique network to exchange and collaborate

Share expertise and protocols

Obtain exposure, national and international, to attract financing

Disseminate EV knowledge and ISEV actions in french laboratories

- -Idea presented at ISEV-2016 April 2016-Rotterdam by G van Niel/C Théry. -
Joined by S. Rome and R. Andriantsitohaina.
- **2016 Kick-off meeting of the french EV-ologists**, 100 participants, 60 laboratories
- **2017 First congress of the FSEV**, >200 participants

- A registered society. Mailing list of 220 names, 65 labs
- 40% = Paris, 60% = 18 other french cities
- 90% academic, 10% private

French Society of Extracellular Vesicles

Ongoing and future Aims / Objectives:

Ongoing registration of the *society as a non-profit association*

Update of the FSEV website

Create a web list to network between members of the FSEV

organize future FSEV meetings:

. *FSEV congress: every 2 years, when ISEV annual meeting outside Europe (next in 2019)*

. *Symposium at NeuroFrance 2019*

. *Regional meetings and workshop*

Offering travel grants to Pre-doc and post-doc for ISEV meetings

Network/Society Name

..... Achievements to Date.....

- ❑ **Temporary Board: President** (S. Rome, Lyon), **secretary** (S. Le Lay, Angers + D. Elgrabli, Paris), **Treasurer** (S. Bosch, Nantes + C. Thery, Paris);
- ❑ **Website** (G. van Niel, F. Verweij, X. Loyer (Paris));
- ❑ **Additional responsibilities: Society and finances** (C. Théry (Paris), R. Andriantsitohaina (Angers));
FSEV-congress organizers (S. Rome and D. Elgrabli) + a **scientific committee** of 15 other volunteers from 10 cities
- ❑ **Society-Network meetings**
 - . **Kick-off meeting**, 27-28 October 2016: 1 day **scientific presentations**, ½ day **flash-presentation** of each lab (:60), ½ day **round-table and vote** on name, logo, next meeting, future goals
 - . **1-day meetings**: 1st EV regional meeting (02 June 2017, Nantes), Technologies for EVs (Paris, 07 July 2017), 2nd EV regional meeting (31st January 2018, Nantes)
 - . **1st FSEV national meeting**, 06-07 November 2017: **2 days talks, posters**, networking dinner, assembly
>**200** participants, **70** abstracts submitted, 3 international speakers

French Society of Extracellular Vesicles

What you feel your Network/Society can:

“contribute” to other Networks/Societies

- ❖ Spread EV knowledge in other specialized (french) societies: Cell biology (Exo-Endo, SBCF); Immunology (SFI); Neurology (SFN, NeuroFrance); Nanosciences (SFNano); Metabolic Disease (SFD)
- ❖ Spread information on ISEV meetings, initiatives, workshops to french EV community

“gain from” other Networks/Societies, including ISEV

- ❖ Gain knowledge on organization from
ISEV, GEIVEX: organized official societies
and UKEV, RNEV: more informal networks

French Society of Extracellular Vesicles

“Take Home” message:

Dynamic and complementary network
(>60 laboratories and >200 members)

visit our website: www.fsev.fr

submit job offers, infos on events, others (see CONTACT:
jobs@fsev.fr, admin@fsev.fr, etc).

Open to researchers in France and french-speaking neighbouring countries.

To apply, visit our website or contact us at membership@fsev.fr
