

Sixth GO-EV Network meeting

« Exotic Extracellular Vesicles »

The 6th GO-EV meeting will take place at Faculté de Santé, Université d'Angers

Amphithéâtre Ambroise Paré (ex-Amphi 200)

28 rue Roger Amsler

49100 Angers

Inscription (free of charge, but compulsory) : soazig.lelay@inserm.fr

Programme

9:00 - 9:30 Welcome Coffee

9:30 - 10:00 "Newflash presentation on EV projects" (Participating Labs)

10:00 - 10:45 Scientific presentations (10 min + 5min discussion each)

- **Mélanie FOULON, ATOMyCA/CRCINA Inserm U1232, Univ Angers**

"Extracellular vesicles of Mycobacterium ulcerans: involvement in bacterial toxin diffusion and pathogenicity"

- **Alexandre VILLARD, SOPAM/UMR 1063, Inserm, Univ Angers**

"Contribution of stool-derived extracellular vesicles in physiopathology of liver injuries"

- **Melody RIAUD, SOPAM/UMR 1063, CRCINA Equipe GLIAD Inserm U1232, Univ Angers**

"Use of microcarriers as a potential vehicle of extracellular vesicles for improvement of failed angiogenesis"

10:45 - 11:00 Meet the Nanoimager, the next-generation super-resolution microscope (ONI)

11:00 - 11:30 Coffee break

11:30 - 12:10 Invited lecturer

Sophie Rome, CarMeN Lab (Inserm U1060/INRA U1397), LYON

"Biological properties of plant-derived extracellular vesicles: an exemple with orange juice EVs"

12:10 – 12:40 Scientific presentations (10 min + 5min discussion each)

- **Marie-Ange DAGNELIE, Equipe 2 CRCINA, U1232, Univ Nantes.**

"Bacterial extracellular vesicles in inflammatory dermatoses physiopathology"

- **Tiphaine DOUANNE, Equipe 15 CRCINA, U1232, Univ Nantes.**

"The Release of small Extracellular Vesicles during Necroptosis »

12:40 – 13:00 Feedback from Myriade experience

Jérémy Amosse (Angers) & Laetitia Guevel (Nantes)

13:00 – 13:30 GO-EV current actions & next GO-EV meeting

GO-EV catalogue & FSEV Congress Nantes 2019 by Steffi Bosch

Announce of the GO-EV logo laureate

Miscellaneous

13:30 – 14:30 Lunch

14:30 – 15:30 GO-EV future directions

Debriefing following meeting with regional representatives and discussion

by Ramarason Andriantsitohaina, Jean-Marie Bard, Julie Gavard, Bertrand Kaeffer and Steffi Bosch

Venue to Angers:

The 6th GO-EV meeting will take place at **Faculté de Santé, Université d'Angers**

28 rue Roger Amsler

Amphithéâtre Ambroise Paré (ex-Amphi 200)

By Tramway

Capucins (Direction Avrillé/Ardennes when coming from train station)

By Car

Exit « Centre commercial CHU » from the A11 motorway »
